### IMPORTANT DATES:

Remember the weather is getting warm, we request that students wear the summer uniform and black shoes.

### TESTS

**Wednesday May 26 :** Math  
**Monday May 31 :** Science

### WRITING

Students will print sentences to describe many different pictures. Students will also have to write about specific topics using the many words learned and to draw corresponding pictures to fit their writings. Students should be writing sentences at home and using many words to describe different stories, pictures and ideas.

### READING

Students will continue reading the last Collections Book #4. They are continually graded for their fluency, tone of voice and ability to sound out new words. **It is crucial that all students read for 15 minutes daily to promote language skills, word recognition and English language fluency.**

Students will be assessed on their Reading Comprehension Skills (the ability to read a short story and answer questions both orally and written). It is important to ask your child questions about the different stories they have read as well as their library stories.

**Please Practice reading List 2 and 3 from the spelling practice book because this will count as a test grade.**

Library: Children will be borrowing books from the library. They will charged 10 KD incase of loose or damage.

### MATH

We will begin Chapter 24-28 about the calendar, time, weight, length and capacity.

### Vocabulary Math Words

Calendar: month, day, morning, afternoon and evening.  
Length: inch, foot, pound, kilogram, liter and cup .

### SPELLING WORDS

It is important that your child use the spelling words to write sentences at home. **We will start writing sentences using the old and new spelling words during the Thursday Spelling Test.** Students will be marked for their use of a capital letter at the beginning, proper spelling of the words and a period at the end of a sentence.

### SCIENCE

Children to write about the 3 R's, Reuse, reduce, recycle.  
We will continue to learn about Physical Science Unit E.  
We will begin learning about the Body Parts. Bones, Stomach, muscles.  
We also will be reviewing Unit E for the upcoming test.
