September 2007

Dear Parents

We would like to take this opportunity to welcome you and your children to the second grade homeroom teachers. We would like to make this new academic year a very successful one for everyone concerned.

TEACHERS

This year's teachers are:-

Teacher	Homeroom	Room	Subject
Jini Paulse	2 Orange	50	Music (for all classes)
May Naamani	2 Green	49	Maths (all classes) Science (Orange and Green)
Ayesha Altaf	2 Purple	66	English (Purple and Orange) Science (Purple)
Hazel Williams	2 Red	65	English (Red and Green) Science (Red)
Dorothy Korunich			Resource Inclusion (for all classes)
Huda Sagar			ESL (for all classes)

As we believe that education is the result of the combined efforts of family and school, we would like to take this opportunity to ask for your co-operation in the following:

PUNCTUALITY

Please help your children to enjoy the school day by ensuring that they are eager and ready to participate in the homeroom activities with their friends by arriving at school by 7.20 am. Flag ceremony will be at 7.30 am each day. Children arriving after that time may miss crucial information regarding procedures and events for the rest of the school day. Homeroom teachers use the first few minutes of the day to take care of a multitude of items, which are key to the well-being of the students.

HEALTHY EATING

Again, all members of the school are emphasizing the relationship between good nutrition and school performance. Please help us succeed in our efforts. For the morning meal your child is required to bring a healthy lunch. We recommend: juice, sandwiches, yogurt, vegetables or fruit.

HEALTHY EATING

Again, all members of the school are emphasizing the relationship between good nutrition and school performance. Please help us succeed in our efforts. For the morning meal your child is required to bring a healthy lunch. We recommend: juice, sandwiches, yogurt, vegetables or fruit.

Please avoid potato crisps (chips), candy and soft drinks. Also, please make sure that your child brings a water bottle (filled) everyday as the children will not have permission to out of the classroom during lesson time to get water.

SUPPLIES

The school provides students with textbooks and notebooks but there are some items that students are expected to provide which will be needed during the school year. They are required to bring:-

- pencil case
- 10 lead pencils (HB)
- set of colouring pencils
- set of non-permanent markers
- ruler
- eraser
- pencil sharpener
- highlighter
- scissors
- glue stick (not liquid glue)
- 3 boxes of Kleenex tissue

HOMEWORK

Homework will be posted in the classroom and recorded in the homework diary. Please check your child's homework diary daily. It is also an excellent means of communication between teachers and parents. Dates for tests and quizzes will also be posted in the calendar at your child's classroom door.

OTHER INFORMATION

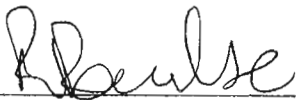

Newsletters will be published every month. They will also be posted on the school website. Please read them for important information including tests, events and study units.

When the canteen becomes available, it will be open every day.

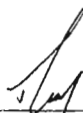

Once again, we are looking forward to working together to make a happy and successful year for everyone. Thank you.
