WELCOME TO THIRD GRADE

As the third grade homeroom teachers, we want to take this opportunity to welcome you and your children to a new school year. We need your cooperation to make third grade a year of success for your children. We welcome your insights, as we believe that education is the result of the combined efforts of family and school.

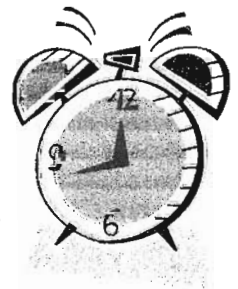

TEACHERS

This year's teachers are:

Teacher	Homeroom	Room	Subject
Areej Theeb	3 Red	103	Computers
Christine Seivwright	3 Green	104	English (Orange and Green) Science (Green)
Rabia Makarem	3 Orange	90	Math (all classes) Science (Orange)
Christel Oosthuizen	3 Purple	89	English and Science (Purple and Red)

PUNCTUALITY

It is fundamental that children are in the classroom and ready to participate in the homeroom activities so please make sure that they arrive to school by 7:20. Flag ceremony will be at 7:30 every day. Children arriving after that time may miss crucial information regarding procedures and events for the rest of the school day. They will also be considered as tardy and be subjected

HEALTHY EATING

This year, all members of the school are emphasizing the relationship between good nutrition and school performance. Please help us succeed in our efforts. For the morning meal your child is required to bring a healthy lunch. We recommend sending: juice, sandwiches, yogurt, vegetables or fruit.

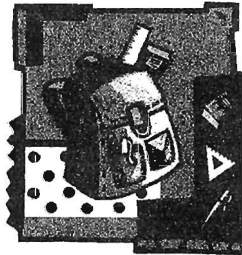

Please avoid potato crisps (chips), candy and soft drinks. Also, make sure that your child brings a water bottle every day

SUPPLIES

The school provides students with textbooks and notebooks but there are some items that students are expected to provide and that will be needed during the school year. They are required to bring:

- pencil case
- 10 lead pencils
- set of colouring pencils
- set of non-permanent markers
- ruler
- eraser
 - pencil sharpener
 - highlighter
 - scissors
 - glue stick (not liquid glue)
 - box of Kleenex

Please make sure that children do not bring ballpoint pens, wax crayons, permanent markers or white out pens.

HOMEWORK

Homework will be posted in the classroom and recorded in the homework diary. Please check your child's homework diary daily. It is an excellent communication tool between teachers and parents. Dates for tests and quizzes will be also posted in the calendar at your child's classroom door.

OTHER INFORMATION

Newsletters will be published every month. Newsletters will also be posted on the school website. Please read them for important information including tests, events and study units.

We will inform students about swimming times and canteen use as they become available.

Again, we are looking forward to working with you during this year. We are sure that we will make a great team.
